

Plasteel® Four-Shelf Cart

Economical, yet sturdy!

If a strong surface fits your needs, select Plasteel®. The carts have shelves molded out of high density structural foam polyethylene that fit over a 1"-square steel tubular frame coated with a hard baked plastic resin. Shelves have a lifetime guarantee against rust and have a 1000 lb capacity (per shelf). Cart comes complete with 5" polyurethane swivel casters. Available with solid or vented shelving.

METRO Super Erecta Shelf Mobile Security Units

Protect valuable materials and sensitive items from loss or theft!

These units feature heavy-gauge open wire construction to keep entire contents of truck visible at all times—simplify inventory checks. Patented, easily adjustable shelf design in 1" increments allow flexibility to meet changing storage needs. Patented, ergonomic, ¼-turn door handle for easier opening and closing. Each door opens 270° and can be secured along side of unit. Mobile units move easily from walls to allow thorough cleaning and to provide quick, protective transportation.

Standard-duty models feature 5" swivel casters. Heavy-duty models feature aluminum dollies with wrap-around bumpers and 5" diameter casters—ideal for crossing thresholds.
